

How much time do you spend counting money?

Here's what the all-new touch-screen Cashmaster can do for you...

- Accurately count loose coins, loose bills, rolled coin and packaged bills
- Manual entry of checks and other non-cash items
- Reduce the time to set-up cash drawers & balance cash drawers (**about one minute to count a cash drawer**)
- Reduce cash exposure, safer work environment
- Greater accuracy, fewer recounts and bank corrections
- Better control and security; standardized procedures
- Printed audit trail using built-in thermal printer
- Portable, battery powered, no extension cords
- Color touch-screen, small footprint, light weight
- Silent operation, no moving parts
- PC port allows for on-line data transfer
- Holds up to 99 cash tills in memory
- Three-year warranty, all parts and labor

Cashmaster One Max
